

Double check
if kafaala on xaq Allah
is Allowed

As opposed to Allah's right
ex: the person Apostated: left Islam

Kafaalah Not Allowed for Allah's rights

- ex: - Apostasy
- stealing
- drunk alcohol
- zina

prophet said to: usama bin zayd

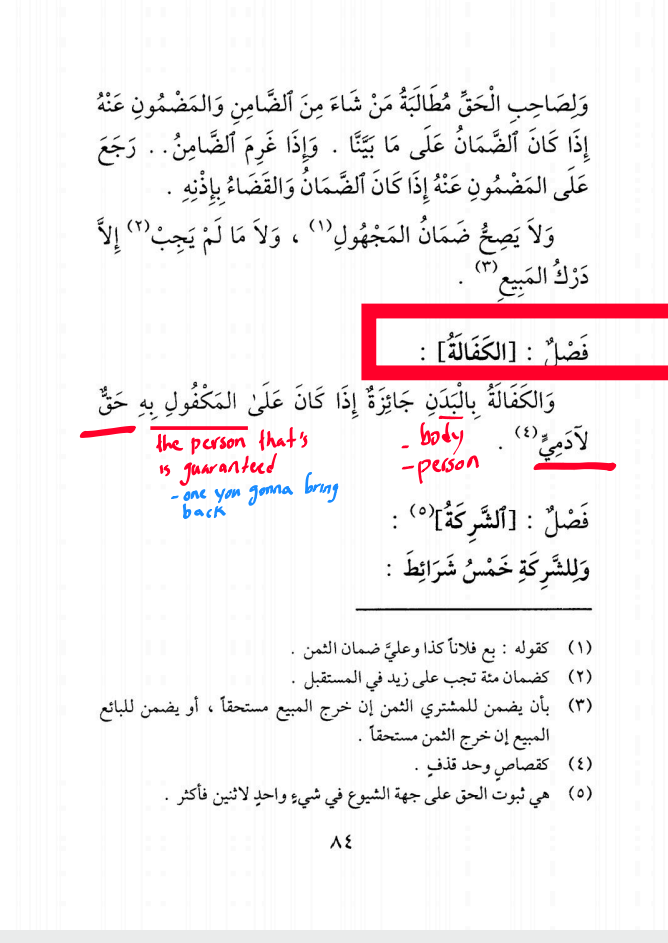

أَتَشَقُّ فِي حَدِّ مَنْ هَدَّوْهُ اللَّهُ
check hadith for ref

- You can do kafaalah of
someone that's held for

ex: the person has debt

حَدِّ الْقَتْلِ = the person killed a person
the family of the killed person's
right = حق آديبي

حَدِّ الْقَذْفِ = the person Accused a chaste woman
the woman's right is حق آديبي

: Someone who guarantees Someone & will bring
him when he's Needed

ex: Someone committed a crime, not All crimes

Investigation is going on
the person is sitting in prison while investigation on
you need the person: you go to court & be his كَفِيل
that he will show up at the court date

Whose kafaalah is Accepted?

Anyone who has to attend the court date
when he's requested is Allowed to be a kafil

ex: Person who can't physically go to
court when requested ex: he's paralysed
can't be a kafil: cause the accused doesn't
come: the kafil is gonna be
held for it

What happens to the kafil
if he don't bring the wanted?

few situations

- 1 He's able to go get him
he's given enough time
to go get him when he didn't show up
- 2 The kafil don't know where the wanted person is
wanted person run away
= No one is held accountable
- 3 The kafil knows where the wanted person & don't bring him back
= The kafil is held in prison
until the wanted comes back
But: the kafil is NOT punished
for wanted person's crime
- No qisas

The wanted died
= nothing on kafil
